

## Ms Baxter's Earth Science Safety Contract

### **PURPOSE**

Science is a hands-on laboratory class. However, science activities may have potential hazards. We will use some equipment that may be dangerous if not handled properly. To ensure a safe classroom, a list of rules has been developed and is called the Earth Science Safety Contract. These rules must be followed at all times. Additional safety instructions will be given for each activity. No science student will be allowed to participate in science activities until this contract has been signed by both the student and a parent or guardian.

### **SAFETY RULES**

1. Conduct yourself in a responsible manner at all times in the science room. Horseplay, practical jokes, and pranks will not be tolerated.
2. Follow all written and verbal instructions carefully. Ask your teacher questions if you do not understand the instructions.
3. Do not touch any equipment, supplies, or other materials in the science room without permission from the teacher.
4. Perform only authorized and approved experiments. Do not conduct any experiments when the teacher is out of the room.
5. Keep hands away from face, eyes, and mouth while using science materials. Wash your hands with soap and water before leaving the science room.
6. Wear safety glasses or goggles when instructed. Never remove safety glasses or goggles during an experiment. There will be no exceptions to this rule!
7. Clean all work areas and equipment at the end of the experiment. Return all equipment clean and in working order to the proper storage area.
8. Report any accident (fire, spill, breakage, etc.), injury (cut, burn, etc.), or hazardous condition (broken equipment, etc.) to the teacher immediately.
9. Handle all glassware with care. Never pick up hot or broken glassware with your bare hands.
10. Learn where the safety equipment is located and how to use it. Know where the exits are located and what to do in case of an emergency or fire drill.

## EARTH SCIENCE SAFETY CONTRACT

I, \_\_\_\_\_ ,  
(student's name)

have read and understand each of the above safety rules set forth in this contract. I agree to follow them to ensure not only my own safety but also the safety of others in the science classroom or laboratory. I also agree to follow the general rules of appropriate behavior for a classroom at all times to avoid accidents and to provide a safe learning environment for everyone. I understand that if I do not follow all the rules and safety precautions, I will not be allowed to participate in science activities.

### Dear Parent or Guardian:

As a parent/guardian, you should be informed of the school's effort to create and maintain a safe science classroom/laboratory environment. Please read the list of Earth Science Safety Rules. No student will be permitted to perform science activities unless this contract is signed by both the student and parent/guardian and is on file with the teacher. Your signature on this contract indicates that you have read this Earth Science Safety Contract, reviewed it with your child, and are aware of the measures taken to ensure the safety of your son/daughter in the science classroom.
